

Cohesive Elastic Bandage

Cohesive Elastic Bandage

This lightweight cohesive bandage provides excellent porosity and allows the skin to breathe while the wound heals. It maintains consistent compression with non-slip support and absorbs energy shocks from strenuous activity. This wrap can be quickly applied in a continuous motion. It adheres to itself without clips or fasteners. Individually wrapped in easy-open packaging. Color: tan, blue. Call for additional Color. Packaging varies depending on size.

ITEM #	DESCRIPTION	QTY	PRICE
MS-CB100T	Tan, 1"x5yds (full stretched)	Each	
MS-CB200T	Tan, 2"x5yds (full stretched)	Each
