

K029 HOME/CAR FIRST AID KIT

K029 HOME/CAR FIRST AID KIT

The kit contains equipment for dealing with accidents in the home and out on trips. It is supplied in a soft bag that can easily be stored in the car, in a baby buggy and in ruck sacks etc. The bag opens up fully so that all of its contents can be seen and easily accessed in an emergency. If you are looking for a multi purpose kit that can deal with any first aid emergency this is the one for you.
